

Good Morning,

I am pleased to announce that the move to our new facility has been completed today successfully.

It was a great team effort to achieve such a smooth transition with cooperating and completing everything in a short time.

The employees are very pleased and excited with the move to the new facility.

I would like to personally thank Todd Zanowick, Kent Hinds, Nick Ribu, Frank Finnerty, JS Gagne, Itshak Avigdor, Dalit Gspan, Roi Brudo, Daniel Shapira and Bryan Oswald for the phenomenal work.

Special greetings to our local team on ground PM David Raz team and our warm appreciation to Daniel Stav, our architect Vered Gindi and her team and the GC – Yaniv Engineering team.

The place looks great, attached a few pictures, so you can enjoy as well.

Thank you

Ilanit
